MINISTRY OF SECONDARY EDUCATION
MINISTÈRE DES ENSEIGNEMENTS SECONDAIRES

01 — UNDER THE HIGH PATRONAGE OF THE PRESIDENCY OF THE REPUBLIC

Honoring *excellence,* cultivating the *future.*

Today, the Ministry of Secondary Education proudly inaugurates the National Excellence Awards — a flagship initiative born from the conviction that the future of Cameroon rests on the brilliance of its young people, the dedication of its educators, and the ambition of its institutions across all ten regions of the Republic.

This first edition launches in 2026 as a fully digital, transparent and bilingual platform. From application to ceremony, every stage of the process is conducted online — accessible from the most remote schools to the heart of Yaoundé, ensuring that merit is recognized wherever it lives.

To the students, teachers, principals and partners who will carry this inaugural edition forward: this brochure is your invitation. Excellence has many faces — let us recognize them all.
